

May 5, 2018 Election Law Calendar

The uniform election date in May of an even-numbered year is a date in which many local political subdivisions, such as cities, school districts, and water districts have their regular general elections for members of their governing bodies or special elections to fill vacancies. Therefore, this calendar is required to meet the needs of many diverse governmental bodies. If there are questions about the applicability of something in this calendar to your specific election, do not hesitate to call the Elections Division of the Office of the Texas Secretary of State at 1-800-252-VOTE(8683).

1. Note on Campaign Information

Under Title 15 of the Texas Election Code, candidates running for an office must file campaign contribution and expenditure reports. For further information and all questions about such disclosure filings, campaign finance, and political advertising, please contact the Texas Ethics Commission at 201 E. 14th, 10th Floor, Austin, Texas 78701; call 512-463-5800; or [access their website](#).

2. Note on Statutory References

Unless otherwise indicated, all references are to the Texas Election Code. The county election officer is the county clerk, the county elections administrator, or the county tax assessor-collector, depending on the actions of the county commissioners court. (Secs. 31.031, 31.071 and 31.091). The county voter registrar is the county clerk, the county elections administrator, or the county tax assessor collector, depending on the actions of the county commissioners court. (Secs. 12.001, 12.031, 31.031 and 31.071).

3. Note on Required Use of County Polling Places

Sections 42.002 and 42.0621 provide that all political subdivisions, including those created under Section 52, Article III or Section 59, Article XVI of the Texas Constitution and located in a county or adjacent to a county of more than 3.3 million people, must use county election precincts. Therefore, **all political subdivisions holding an election on May 5, 2018 must use county election precincts and polling places on election day, unless:**

1. the political subdivision has not established any temporary branch early voting polling places (the political subdivision only has its main early voting polling place); or
2. the political subdivision conducts early voting by personal appearance at 75 percent or more of its temporary branch polling places on the same days and during the same hours as voting is conducted at the main early voting polling place; and at each remaining polling place for at least two consecutive days of voting during the early voting period, and for at least eight hours on each of the two consecutive days.

4. Note on Notice of Candidate Filing Periods

The authority with whom an application for a place on the ballot is filed must post a [Notice of Deadline to File Applications for Place on the Ballot \(PDF\)](#), listing the filing period dates in a building in which the authority maintains an office. The notice must be posted not later than the 30th day **before** the first day to file. (Sec. 141.040). If you order a special election to fill a vacancy, the order must include the filing deadline; we recommend posting the notice of the filing period as soon as practicable after a special election is ordered. Note that an application for a place on the ballot for a special election may not be filed before the election is ordered.

5. Note on Joint Election Requirement for School Districts

School districts conducting trustee elections must have joint polling places on election day with either:

1. a city holding an election on the uniform election day (located wholly or partly within the school district's boundaries);
2. a public junior college district if it is having an election for members of its governing board in which the school district is wholly or partly located;
3. in limited circumstances, a hospital district; or
4. the county on the November uniform election day in even-numbered years.

For purposes of this calendar, we will continue to use separate subheads for cities and school districts when their rules are different. However, many entities will be working out joint election agreements. (Sec. 11.0581, Texas Education Code; Sec. 271.002).

6. Note on Joint Elections Generally

Many entities will have joint elections for the May 5, 2018 election. Note that the entries in this calendar are generally written in terms of elections held individually rather than jointly. For example, cities are advised about conducting two 12-hour days for early voting. However, we have long advised different entities who conduct early voting together to coordinate their early voting hours, which may result in entities other than cities also holding early voting on two 12-hour days. On the other hand, depending on the plan, different entities may choose to do different things separately, i.e., not holding early voting together. Not all joint election plans are alike. With a few exceptions, we do not discuss the impact of coordinating rules for a joint election, as we think this would make the calendar longer and confusing. We encourage joint election partners to read through the entire calendar, taking note of the rules affecting the partner entities and to address the differences within the agreement itself. If you have questions about how different rules apply to a particular joint election plan, please contact our office by phone or email.

7. Note on Notice of Elections

Political subdivisions other than cities and school districts may have specific statutory notice requirements. In the absence of specific statutory requirements, such political subdivisions must post a notice on or before the 21st day before the election. (Sec. 4.003(b)). For the Saturday, May 5 2018 election, this notice must be posted on or before Monday, April 16, 2018.* The general rule is that, additionally, notice must be given using one of the following methods:

- A. By posting a notice in each election precinct in which the election is to be held on or before the 21st day before the election, Monday, April 16, 2018. (Secs. 1.006, 4.003(a)(2)).
- B. By publishing the notice at least once between the 30th day and the 10th day before the election, Thursday, April 5, 2018 – Wednesday, April 25, 2018. (Sec. 4.003(a)(1)).
- C. By mailing a copy of the notice to each registered voter of the territory covered by the election, not later than the 10th day before election day, Wednesday, April 25, 2018. (Sec. 4.003(a)(3)).

*Since the 21st day before the election falls on a Saturday, the deadline is extended to the next business day, Monday, April 16, 2018.

This notice must include:

- 1. The type and date of the election;
- 2. The location of each polling place;
- 3. The hours the polls will be open;
- 4. The location of the main early voting polling place;
- 5. The regular dates and hours for early voting by personal appearance;
- 6. The dates and hours of any Saturday or Sunday early voting, if any; and
- 7. The early voting clerk's mailing address.

NOTE: Section 84.007 allows email transmission of a completed, scanned application for a ballot by mail containing an original signature and to require the early voting clerk to designate an email address for receipt of such applications. Therefore, **we recommend that the notice of the election also include the email address at which the early voting clerk may receive applications** for a ballot by mail.

Note regarding branch early voting locations: The branch early voting locations are no longer a required part of your notice under the Texas Election Code. (Sec. 4.004).

The following forms may be used:

[-Notice of General Election for Cities \(PDF\)](#)

- [-Notice of General Election for Other Political Subdivisions \(Including Schools\) \(PDF\)](#)
- [-Notice of Special Election for Counties \(PDF\)](#)

Notice for Bond Elections: Entities holding bond elections must provide additional notice per Section 4.003(f). A debt obligation order under Section 3.009 must be posted:

1. On election day and during early voting by personal appearance, in a prominent location at each polling place.
2. Not later than the 21st day before the election, in three public places in the boundaries of the political subdivision holding the election.
3. During the 21 days before the election, on the political subdivision's Internet website, prominently and together with the notice of the election and the contents of the proposition, if the political subdivision maintains an Internet website.

Note for Cities and School Districts: Cities and school districts are required to publish their notice in a newspaper in accordance with Section 4.003(a)(1) and may also give any additional notice. (Sec. 4.003(c)).

Note for Home-Rule Charter Cities: Home-rule cities MUST also give notice as provided in their charters.

Note for Cities: Cities must choose two weekdays to be open for 12 hours during the regular early voting period. The city council must choose the two weekdays and the hours the site will be open, and include that information in the notice. (Sec. 85.005(d)).

Note for All Political Subdivisions, Except Counties & Cities:

The election notice shall be posted on the political subdivision's website, if the political subdivision maintains a website. The order and notice should include all days and hours for early voting by personal appearance including voting on ANY Saturday or Sunday. (Secs. 85.006 & 85.007).

NOTE: Section 85.007 requires that the election notice, which includes the days and hours of early voting be posted on the political subdivision's website, if the political subdivision maintains a website.

Note for All Political Subdivisions, Except Counties:

The governing body of a political subdivision must deliver notice of the election to the county election officer and voter registrar of each county in which the political subdivision is located not later than the 60th day before election day, Tuesday, March 8, 2016. (Sec. 4.008).

8. Note of Extended Early Voting Hours and Branch Locations

Note for Cities: Cities must choose **two weekdays** for the main early voting polling place to be open for 12 hours during the regular early voting period. The city council must choose the two weekdays. (Sec. 85.005(d)). The city secretary may also order early voting on a Saturday or Sunday, and determine the hours for such Saturday or Sunday early voting. This must be done by written order. (Sec. 85.006(b), (c)). Notice of Saturday or Sunday early voting must be posted for at least 72 hours immediately preceding the first hour that voting will be conducted. (Sec. 85.007(c)). The city secretary **must** have early voting on Saturday or Sunday, *if a [written request \(PDF\)](#)* is received from at least 15 registered voters of the city in time to comply with the posting requirement. (Secs. 85.006(d); 85.007).

Note for All Political Subdivisions, Except Counties & Cities: Voting on **ANY** Saturday or Sunday must be included in the order and notice of election. The order and notice must include the dates and hours of Saturday or Sunday voting. (Secs. 85.006, 85.007). The political subdivision **must** have early voting on Saturday or Sunday, *if a [written request \(pdf\)](#)* is received from at least 15 registered voters of the political subdivision in time to comply with the posting requirement. (Sec. 85.006(d)).

NOTE for All Political Subdivisions: Section 85.007 requires that the election notice, which includes the days and hours of early voting be posted on the political subdivision's website, if the political subdivision maintains a website. This would include any Saturday or Sunday hours.

9. Note on Notice of Previous Polling Place:

If a different polling place is being used from the previous election held by the same authority, a [Notice of Previous Precinct \(PDF\)](#) must be posted at the entrance of the previous polling place informing voters of the current polling place location, if possible. (Sec. 43.062).

10. Note on Testing Tabulating and Electronic Voting Equipment

Note on Ballot Testing:

Once all candidate filing deadlines have passed, we recommend that you proof and test your ballot programming as soon as possible. Early testing will allow adequate time to locate any errors and make any necessary corrections in ballot programming. We also strongly suggest that you have candidates proof their names and offices before finalizing the ballot to avoid the necessity for last minute ballot corrections.

Note on Logic and Accuracy Test:

We recommend establishing a date to perform the first test of your electronic voting equipment (L&A, or Logic and Accuracy Test) as soon as possible. We recommend that this test be performed on a date that allows time to correct programming and retest, if necessary. A notice of this test must be published by the custodian of the electronic voting equipment at least 48 hours before the date of the test. (Sec. 129.023; [Tex. Sec'y of State Election Advisory No. 2014-06](#)). The L&A test must be conducted not later than 48 hours before voting begins on a voting system. (Sec. 129.023).

Note on Testing Tabulating Equipment:

The automatic tabulating equipment used for counting ballots at a central counting station must be tested three times for each election. (Ch. 127, Subch. D). We recommend you test the equipment as soon as possible; early testing will allow adequate time to locate any errors and make any necessary corrections in programming. However, the first test **must be conducted at least 48 hours before** the automatic tabulating equipment is used to count ballots voted in the election. The second test shall be conducted immediately before the counting of ballots with the equipment begins. The third test must be conducted immediately after the counting of ballots with the equipment is completed. Please note that the custodian of the automatic tabulating equipment must publish notice of the date, hour, and place of the first test in a newspaper at least 48 hours before the date of the test. (Sec. 127.096). The electronic files created from the L&A testing are what must be used for testing the tabulating equipment. ([Tex. Sec'y of State Election Advisory No. 2014-06](#))

Precinct tabulators must also be tested in accordance with the procedures set forth in Chapter 127, Subchapter D of the Texas Election Code to the extent those procedures can be made applicable. (Sec. 127.152; [Tex. Sec'y of State Election Advisory No. 2014-06](#)).

Our recommendation is that both L&A testing and testing of the automatic tabulating equipment take place prior to ballots by mail being sent out. However, should there be a reason to delay testing, please be advised that L&A testing must be conducted at least 48 hours before voting begins on a voting system. This means that L&A testing should be completed before early voting and possibly, before election day, if your election day system is different than your early voting system. Additionally, the automatic tabulating equipment may not be used to count ballots voted in the election until a test is successful.

For more information on testing tabulating equipment used at the central counting station, please see Chapter 127, Subchapter D of the Election Code and [Tex. Sec'y of State Election Advisory No. 2014-06](#). See Chapter 129, Subchapter B of the Election Code and [Tex. Sec'y of State Election Advisory No. 2014-06](#) for other types of testing such as functionality tests, logic and accuracy tests, tests for central accumulators, etc.

11. Note on Voting Order Priority for Voters with Mobility Issues

Note for All Political Subdivisions: Accepting voters with certain disabilities:

NOTE – NEW LAW: Section 63.0013, as amended by House Bill 658 ((85th Legislature, RS 2017) provides that an election officer may accept a person with a mobility problem that substantially impairs a person’s ability to ambulate who is offering to vote before accepting others offering to vote at the polling place who arrived **before** the person. “Mobility problem that substantially impairs a person’s ability to ambulate” has the meaning assigned by Section 681.001, Transportation Code. A person assisting an individual with a mobility problem may also, at the individual's request, be given voting order priority. Notice of the priority given to persons with a mobility problem that substantially impairs a person’s ability to ambulate **shall** be posted:

1. at one or more locations in each polling place where it can be read by persons waiting to vote;
2. on the website of the Secretary of State **and**
3. on each website relating to elections maintained by a county

The notice required **must** read as follows:

"Pursuant to Section 63.0013, Election Code, an election officer may give voting order priority to individuals with a mobility problem that substantially impairs the person's ability to move around. A person assisting an individual with a mobility problem may also, at the individual's request, be given voting order priority. Disabilities and conditions that may qualify you for voting order priority include paralysis, lung disease, the use of portable oxygen, cardiac deficiency, severe limitation in the ability to walk due to arthritic, neurological, or orthopedic condition, wheelchair confinement, arthritis, foot disorder, the inability to walk 200 feet without stopping to rest, or use of a brace, cane, crutch, or other assistive device."

The **recommended** time to include this notice on a county website is when the Notice of Election is also posted on the website. Sec 85.007(d). See [Note](#) regarding Notice of Elections.

Cities, Schools, and Other Political Subdivisions: It is **strongly recommended** that the notice regarding accepting voters with certain disabilities also be posted on the subdivision’s website, if one is maintained by the political subdivision.

The sample form is available here: <http://www.sos.state.tx.us/elections/forms/pol-sub/7-7bf.pdf>

12. Note on new law regarding faxed or emailed ABBMs and faxed FPCAs

NEW LAW: SB 5 (85th Legislature, 1st CS, 2017), **effective December 1, 2017**, provides that if an ABBM is faxed or emailed or if an FPCA is faxed, then the applicant must submit the ORIGINAL application BY MAIL to the early voting clerk so that the early voting clerk receives the original no later than the 4th business day after receiving the emailed or faxed ABBM or faxed FPCA. If the early voting clerk does not receive the original ABBM or FPCA by that deadline, then the emailed or faxed ABBM or faxed FPCA will be considered incomplete, and the early voting clerk may NOT send the applicant a ballot. The early voting clerk must reject the ABBM and FPCA for ballot purposes.

Please note that the FPCA would still serve to register the voter (if the voter is eligible to be registered), even though it will not allow the voter to be sent ballots. The early voting clerk should still retain a copy of the FPCA for their own records, but should send the FPCA submitted by the voter to the Voter Registrar for registration purposes.

If a voter faxes or emails the ABBM or faxes the FPCA, the date the early voting clerk receives the FAX or EMAIL is considered the date of submission. Essentially, the faxed or emailed form serves as a place-holder for the voter. Therefore, a voter whose application was faxed or emailed by the 11th day before election day (the deadline), and whose original application is received on or before the 4th business day after that date, would still be entitled to receive a ballot for the election (if otherwise eligible). The early voting clerk will have to hold the faxed or emailed ABBM or faxed FPCA until the clerk receives the original, and would only send the voter a ballot if the original is received by the 4th business day after the faxed or emailed ABBM or faxed FPCA was received.

NOTE: The requirement to mail the original application does not apply to an emailed FPCA.

6. the maximum maturity date of the debt obligations to be authorized or that the debt obligations may be issued to mature over a specified number of years not to exceed 40;
7. the aggregate amount of the outstanding principal of the political subdivision's debt obligations as of the beginning of the political subdivision's fiscal year in which the election is ordered;
8. the aggregate amount of the outstanding interest on debt obligations of the political subdivision as of the beginning of the political subdivision's fiscal year in which the election is ordered; and
9. the ad valorem debt service tax rate for the political subdivision at the time the election is ordered, expressed as an amount per \$100 valuation of taxable property.

-*Recommended* date to order the lists of registered voters from the county voter registrar. The list should include both the voters' residences and mailing addresses in order to conduct early voting by mail. (Sec. 18.006).

-*Recommended* date to confirm telephone number for the county voter registrar's office on election day.

-*Recommended* date to order election supplies. (Subchapter A, Chapter 51).

-*Recommended* date to appoint **presiding and alternate judges**. Currently, the Election Code does not establish a deadline for appointing election officials; there is only a notification deadline. For further information concerning procedures for appointing judges and their alternates, see Sections 32.005, 32.008, and 32.011. General eligibility requirements are found in Subchapter C, Chapter 32. In addition to appointing a judge and alternate judge for each election precinct pursuant to Sections 32.001 and 32.005, the governing body must allow the judge to appoint no less than two clerks; however, the alternate judge must serve as one of the clerks as a matter of law. (Secs. 32.032, 32.033). The presiding judge then appoints an additional clerk(s), but not more than the maximum set by the governing body. (Sec. 32.033). Presiding judges and their alternates must be given a [Notice of Appointment \(PDF\)](#) not later than the 20th day after the appointment is made. (Sec. 32.009). If the appointment is for a single election, the notice may be combined with the [Writ of Election \(PDF\)](#), which is required to be delivered to each presiding judge not later than the 15th day before the election, Friday, April 20, 2018. (Sec. 4.007, 32.009(e)). If the notices are combined, both must be delivered by the date required by the earlier notice.

NOTE - Water Districts: A water district is not required to provide a Notice of Appointment to a presiding judge, as required under Section 32.009, but must provide a [Writ of Election \(PDF\)](#). (Sec. 4.007; Sec. 49.110, Water Code)

-*Recommended* date to appoint the **central counting station personnel**, if applicable. (Secs. 127.002, 127.003, 127.004, and 127.005). There is no statutory notice requirement for members of the central counting station, but good practice suggests that written notice be given to them.

-*Recommended* date to appoint the **presiding judge of the early voting ballot board** or to designate the election workers of one election precinct to serve as the early voting ballot board. (Secs. 87.001, 87.002, and 87.004). There is no statutory notice requirement for members of the early voting ballot board, but good practice suggests that written notice be given to them.

Tuesday, February 20, 2018 (74th day before election day)

(Secs. 144.006(b), 146.054(b), 146.055, Election Code; Secs. 11.056, 11.304, 130.0825, Education Code; Secs. 326.0431, Local Government Code; Sec. 285.131, Health and Safety Code; and Secs. 36.059, 49.101, 63.0945, Water Code). [See Candidacy Filing outline for more details.](#)

NOTE: An application submitted by mail is considered to be filed at the time of its receipt by the appropriate filing authority. (Secs. 143.007(b), 144.005(b)).

Thursday, February 22, 2018 (72nd day before election day)

-First day to post [Notice of Drawing for Place on Ballot \(PDF\)](#) if drawing is to be conducted on Monday, February 26, 2018. This notice must be posted for 72 hours immediately preceding the time of the drawing. (Sec. 52.094(c)).

For an election held by a political subdivision, other than a city, a notice of ballot position drawing must be **mailed** to candidates by this day (not later than the 4th day before the drawing) if drawing is to be conducted on Monday, February 26, 2018. (Sec. 52.094(d)). Candidates who have not filed by this date should be given a copy of the notice at the time of filing.

For an election held at county or city expense, if a candidate gives the filing authority a written request, accompanied by a stamped, self-addressed envelope, the filing authority must mail the candidate a notice of ballot position drawing. (Sec. 52.094(d)).

Friday, February 23, 2018 (71st day before election day)

-5:00 p.m. - Last day for a candidate to withdraw, by submission of a notarized [Certificate of Withdrawal \(PDF\)](#) or a notarized letter. **If a candidate withdraws or is declared ineligible by this date, his or her name is omitted from the ballot.** (Secs. 145.092(f), 145.094(a)(4)).

5:00 p.m. — Last day to **withdraw** as a **write-in** candidate in the general election ordered by a political subdivision other than a county. (Secs. 144.006(c), 146.054(c)). (Candidates may use the [Certificate of Withdrawal \(PDF\)](#)).

Recommended first day that an election may be cancelled if all filing deadlines have passed, each candidate for an office listed on the ballot is unopposed, and write-in votes may be counted only for names appearing on a list of write-in candidates. (Sec. 2.052). The [Certification of Unopposed Candidates for Other Political Subdivisions \(PDF\)](#) may be used to certify candidates as unopposed. Also, see our [Sample Order of Cancellation \(PDF\)](#).

This recommended cancellation deadline presumes a filing deadline of Friday, February 16, 2018 and a write-in deadline of Tuesday, February 20, 2018. Special elections may have different deadlines, and may now be cancelled separately. For more information on cancellation of elections, please see the Secretary of State's Advisory - [Cancellation of Election for Local Political Subdivisions \(Not County\)](#).

NOTE - Political Subdivision Holding a Special Election to Fill a Vacancy: If you are having a special election to fill a vacancy for an unexpired (partial) term, you must not cancel the special election until after all deadlines to file for a special vacancy election have passed. (Reminder: The cancellation procedures allow general and special elections to be considered separate elections for cancellation purposes. If the elections are separated, note there are procedures related to listing unopposed candidates in the same relative order on the ballot. See Sec. 2.053, Election Code and the Secretary of State's Advisory - [Cancellation of Election for Local Political Subdivisions \(Not County\)](#))

Saturday, February 24, 2018 (70th day before election day)

-Last day to order a special election to fill a vacancy (if authorized to fill vacancies by special election) and have the filing deadline be the 62nd day before election day. (Secs. 201.054(a)(1)), 201.052. Please note that the Election Code requires the election to be ordered as soon as practicable after the vacancy occurs. (Sec. 201.051). The following form may be used: [Order of Special Election for Municipalities \(PDF\)](#).

NOTE - Section 201.054 provides that if the special election is ordered (1) on or before the 70th day before election day, the candidate application must be filed by 5:00 p.m. on the 62nd day before election day, or (2) after the 70th day but on or before the 46th day before election day, the candidate application must be filed by 5:00 p.m. on the 40th day before election day. This is the first of the two possible ordering times. We do **not** interpret the 70th day order date here as "moving" to the next business day because the date falls on a Saturday, as this is not the last day to order a special election to fill a vacancy for this uniform election date.

Monday, February 26, 2018 (68th day before election day)

-*Recommended* date to conduct ballot position drawing. (Sec. 52.094).

NOTE: After the ballot drawing has occurred, the Elections Division recommends that you proof and test your ballot programming as soon as possible and **prior to the deadline to mail a ballot** if the political subdivision will be using automatic tabulating equipment to count the mail ballots or if your mail ballots are printed from the same database used to program your precinct scanners and/or DREs (See [Note 10](#) prior to Calendar of Events). **The Elections Division also recommends that you provide candidates with copies of ballot proofs so that candidates may verify the correctness of their names, positions sought, and order of names on the ballot.**

-5:00 p.m. - Last day to file application for a place on the ballot in a special election to fill a vacancy, if the special election is ordered on or before the 70th day before election day, Saturday, February 24, 2018. (Secs. 1.006, 201.054(a)(1)). (For more details about Section 201.054 and the two possible special election deadlines, see Saturday, February 24, 2018 [note entry](#).)

5:00 p.m. - Deadline for write-in candidates to file [Declarations of Write-In Candidacy \(PDF\)](#) for officers for city, school district, library district, junior college district, hospital district, and common school districts in a special election to fill a vacancy if the special election is ordered on or before the 70th day before election day, Saturday, February 24, 2018. (Sec. 201.054(a)(1) and 201.054(g)).

NOTE –NEW LAW: Sec. 201.054(g) as amended by House Bill 2323 (85th Legislature, RS, 2017) provides that a declaration of write-in candidacy for a special election must be filed not later than the regular filing deadline to apply for a place on the ballot. The filing deadline to file an application for a place on the ballot in a special election to fill a vacancy, if the special election is ordered on or before the 70th day before election day, Saturday, February 24, 2018, is Monday, March 5, 2018 (deadline moves to the next business day, Sec. 1.006).

The list should only include voters that reside in the political subdivision holding the election. The list should only be created and sent to those political subdivisions that have provided notice of the election to the county clerk/elections administrator. See also, the note below, and the [entry](#) at Tuesday, April 24, 2018, for more information about delivery of a final list of voters. See [entry](#) at Wednesday, May 2, 2018 for more information on the delivery of copies/images of the applications.

NOTE: Section 86.0015 requires the county clerk/elections administrator to provide a list of voters that have submitted an annual application for ballot by mail to all political subdivisions in their county holding an election. The law only applies to elections for which the county clerk/elections administrator is not the early voting clerk via a contract for election services or joint election agreement. The Election Division *strongly recommends* that the county and political subdivisions **discuss the frequency and method for which these lists should be transmitted** to ensure that ballots are sent out timely. Finally, the county clerk/elections administrator **must deliver either photocopies or scanned images of the applications (under Section 87.126) to the early voting clerk** of the political subdivision before the ballots by mail are delivered to the early voting ballot board for qualifying and counting under Section 87.041.

Ballots must be mailed by this date or the 7th day after the clerk receives the application. If the early voting clerk cannot meet this 45th-day deadline, the clerk must notify the Secretary of State within 24 hours. (Sec. 86.004(b)).

Reminder: In regards to mail ballots for other voters (not military or overseas), the early voting clerk must mail a ballot not later than the 7th day after the later of: (1) the date the early voting clerk has accepted a voter's application for a ballot by mail or (2) the date the ballots become available for mailing. However, if the 7th day falls earlier than the 45th day before election day, the voter's mail ballot must be mailed no later than the 38th day before election day. (Sec. 86.004(a)).

5:00 p.m. - Deadline for write-in candidates to file [Declarations of Write-In Candidacy \(PDF\)](#) for officers for city, school district, library district, junior college district, hospital district, and common school districts in a special election to fill a vacancy if the special election is ordered after the 70th day before election day, but on or before the 46th day before election day, Tuesday, March 20, 2018. -Last day to register to vote or make a change of address effective for the May 5, 2018 election. (Secs. 13.143, 15.025).

NOTE: A Federal Postcard Application (FPCA) also serves as an application for **permanent** registration under Texas law **unless the voter marked “do not intend to return” (2011 form), or “my return is not certain” (2013 form)**. The early voting clerk should make a copy (for mailing ballots, keeping records, etc.), then should forward the original to the county voter registrar, as soon as practicable. (Sec. 101.055, 1 Tex. Admin. Code Sec. 81.40(a), (c)(2)).

(Secs. 4.003(c) and (d)).

The order must remain posted continuously for at least 10 days before the first day the committee meets. (Sec. 87.027, 1.006).

Cities, Schools, and Other Political Subdivisions: It is **strongly recommended** that the [Notice of Voting Order Priority](#) for voters with mobility issues also be posted on the subdivision’s website, if one is maintained by the political subdivision. Tuesday, April 10, 2018 (25th day before election day)

-Last day for the governing body of political subdivision to appoint a signature verification committee (if one was ordered by the early voting clerk on Thursday, April 5, 2018). See also [entry](#) under Thursday, April 5, 2018. (Secs. 51.002, 87.027). The appointing authority must post a notice of the appointment of committee members continuously until the last day the signature verification committee meets. This form may be used for the notice: [Notice of Appointment of Signature Verification Committee \(PDF\)](#).

Sunday, April 15, 2018 (20th day before election day)

-First day that the signature verification committee, if one is appointed, may begin operating. (Sec. 87.027).

Monday, April 16, 2018 (19th day before election day)

-Deadline for a person who is not permanently registered to vote, to submit a postmarked FPCA, in order to receive a ballot for any non-federal election held on May 5, 2018. A person submitting who is **not** permanently registered to vote and submits a postmarked FPCA after this date and before election day is not entitled to receive a ballot for any non-federal election. (Note: Deadline of the 20th day before election day for full ballot is extended to Monday, April 16, 2018, the first business day after Sunday, April 15, 2018.)

NOTE: Be sure to check the list of registered voters for permanent registration status. Also, state law authorizes an FPCA to also serve as an application for **permanent registration**; therefore, the person might be permanently-registered based on a prior-FPCA. Even if the FPCA arrives too late for a particular election, the early voting clerk will still need to forward the original FPCA to the county voter registrar, after making a copy for your early voting clerk's use (mailing ballots, etc.) and records unless the voter marked "**do not intend to return**" (2011 form), or "**my return is not certain**" (2013 form) in which case, it will not serve as a permanent registration. (Sec. 101.055; 1 Tex. Admin. Code Sec. 81.40).

NOTE: Overseas (non-military) voters marking the FPCA "do not intend to return" (2011 form) or "my return is not certain" (2013 form) receive a federal ballot **only** regardless of the date filed. (Chapter 114). In a local election (where there is no federal office on the ballot), this means there is **no ballot to send the voter**.

Tuesday, April 17, 2018 (18th day before election day)

-If a **defective application to vote early by mail** is received on or before this date, the early voting clerk must mail the applicant a new application with explanation of defects and instructions for submitting the new application. (Secs. 84.007(c), 86.008).

Friday, April 20, 2018 (15th day before election day; day before first day of early voting in person)

-Deadline to receive an FPCA **without** a postmark. If an FPCA is received by this date **without** a postmark to prove mailing date, the early voting clerk will accept the FPCA and mail the applicant a full ballot even if the applicant is **not** a permanently registered voter but meets the requirements under Title 2 of the Election Code. (Sec. 101.052(i)). See [Note](#) under entry for Monday, April 16, 2018.

-Last day to conduct public L&A test of a voting system that uses DRE voting machines or precinct scanners. We highly *recommend* that this test is done on an earlier date to allow time for corrections to programming, if necessary. (See [Note 10](#), above). -Last day to notify election judges of duty to hold election ([Writ of Election \(PDF\)](#)). (Sec. 4.007). Notice must be given by the 15th day before the election or the 7th day after the day the election is ordered, whichever is later. The Writ of Election must be given to each presiding judge and include:

1. The judge's duty to hold the election;

NOTE – Cities and counties: Early voting in person must be conducted on the weekdays of the early voting period and during the hours that the county clerk's or city secretary's main business office is regularly open for business. (Sec. 85.005(a)). However, because cities and counties must have office hours for election-related business at least three (3) hours every business day for this type of election (see Friday, March 16, 2018 [entry](#)), we harmonize these requirements with the result that, if a city or county is not regularly open for business on one or more weekdays, on those "closed" days, a city or county must conduct early voting for at least three (3) hours a day at the main early voting location (except for a city's two 12-hour days, when it must be open for the full 12 hours).

NOTE - Cities: Cities **must** choose two (2) weekdays for the main early voting polling place location to be open for 12 hours during the regular early voting period. City council must choose the two weekdays. (Sec. 85.005(d)).

NOTE - Independent School Districts: Despite the change in state law that allows an ISD to be closed on school holidays during the mandatory office hours period, you are **required** to be open during the entire early voting period, except on legal state and national holidays.

NOTE - Joint Elections: If entities are conducting early voting by personal appearance jointly, we *recommend* a unified schedule covering all requirements; i.e., no entity's requirements should be neglected or subtracted as a result of a joint agreement.

-A voter who becomes sick or disabled on or after this date may vote a late ballot if the sickness or disability prevents the voter from appearing at the polling place without the likelihood of needing personal assistance or of injuring his or her health. (Sec. 102.001).

NOTE - NEW LAW: SB 5 (85th Legislature, 1st CS, 2017), **effective December 1, 2017**, provides that if an ABBM is faxed or emailed or if an FPCA is faxed, then the applicant must submit the ORIGINAL application BY MAIL to the early voting clerk so that the early voting clerk receives the original no later than the 4th business day after receiving the emailed or faxed ABBM or faxed FPCA. If the early voting clerk does not receive the original ABBM or FPCA by that deadline, then the emailed or faxed ABBM or faxed FPCA will be considered incomplete, and the early voting clerk may NOT send the applicant a ballot.
