Instructions to Election Official:

1. A voter's name is to be added to this Roster when the voter hand delivers his or her <u>own</u> carrier envelope to the early voting clerk's office during the hours the polls are open on election day.

- 2. The voter is required to present an acceptable form of photo identification when delivering his or her own carrier envelope to the early voting clerk (the Elections Administrator or County Clerk of the county) if the voter possesses one of the acceptable forms of photo ID. See reverse for list of acceptable forms of photo ID. *If a voter does not possess an acceptable form of photo identification, and the voter cannot reasonably obtain an acceptable form of photo identification, the voter may complete a Reasonable Impediment Declaration and present a supporting form of identification. In addition, if the voter has a permanent disability exemption as notated on the voter's Voter Registration Certificate, the voter may only present the Voter Registration Certificate containing the Disability Exemption (E) notation.
- 3. After the voter has complied with the identification procedure, signed the Roster, and, if applicable, completed the Reasonable Impediment Declaration, the election official should accept the completed carrier envelope and indicate on the carrier envelope that it was hand-delivered and the time of delivery. The election official should indicate on the roster by checking the appropriate box, if the voter executed a Reasonable Impediment Declaration.
- 4. The election official should store the carrier envelope in the corresponding jacket envelope and retain with other ballots by mail until delivery to the Early Voting Ballot Board.
- 5. This form should be retained by the General Custodian of Election Records with other election records. It does not accompany the carrier envelopes to the Early Voting Ballot Board.
